

## **Huber Engineered Woods – FUEL BONUS SURCHARGE SYSTEM**

En vigueur à partir du 2 mai 2022 – jusqu'à nouvel avril

---

“ (...) New fuel bonus surcharge system. Starting Monday May 2, we will pay a bonus based on the department of energy's (DOE) price for the New England weekly average and our base price will be \$3.60/ gallon.

Fuel increases and decreases will be made in 20 cent increments based on the DOE fuel prices posted on Monday. For every 20-cent increase or decrease from the DOE website there will be a 30-cent increase or decrease from Huber Engineered Woods (HEW).

HEW reserves the right to change this fuel surcharge at any time. (...)

Link to the DOE website that brings you directly to the New England fuel prices
